

Glass & Glazing Contractor (Well Established & Solidly Profitable)

This well established and respected glass and glazing contractor has consistently sold cash flow and revenues. With \$120,000 of inventory included in the asking price the business is priced very reasonably. The business primarily fabricates, furnishes and installs set commercial windows and curtain walls for storefronts, office buildings and retail businesses throughout Hampton Roads. The business also installs commercially operable windows and doors that have already been fabricated by the manufacturer as well as performing some government work. The longstanding owner seeks to retire, and a younger and more energetic owner can easily grow this business with its excellent reputation, because it serves an ever growing niche in a dynamic and expanding Hampton Roads economy.
